John Hunter

Homeowner Signature Mandatory

What took so long? Terry screwed the pooch! This should have been done 5 years ago when I originally proposed it! This is way little too late and the rates are short sighted. Too much incompetence on the board! Charles needs to grow a pair and now that Patti lost her running mate I do not think she can make a decision!

see below

Shelly Borden A

Homeowner Signature Mandatory

Reason for a No Vote:

1. need to get a board + manager with knowledge of roads, roads maintenance and plan ahead for preventative maintenance.
2. Hold property owners "accountable for maintenance of their culverts, road edges and blocking the flow of run off. * examples: plugged culverts on driveways that put mud and debris on road because culvert was not →

maintained.

* Blocking natural water flow. On IR right after mail box water flows down the road instead of flowing in a creek that is full of coyote bushes that block this creek. If property owner can not maintain this they need to pay & get it done.

* Sides of road are not mowed or coyote bushes maintained making roads 1 lane roads. With all traffic using the same section of the road greatly increasing wear to that path.

* trash trucks are causing a lot of the damage and potholes. not sure how to fix this.

* fill potholes as soon as rain stops to prevent holes getting larger.

We would vote YES to this plan when the above is completed.

This ballot does not increase the assessment, it's a required step to determine that there is a majority interest to vote on an increase.

2/7/2024

would like to know how many properties are in IRCSD?

The engineering report 2023 - can this be provided? How many repairs were obtained.

We agree Road maintenance & culverts require attention & repair, we see minimal care - who is responsible for this?

The IRCSD or the home owner?
What State & Federal funds if any are allocated to the IRCSD.

We were unable to attend recent meeting but would benefit from information - please. We attempt to attend 3/15 mtg & a just note if provided with information. KA

This ballot does not increase the assessment, it's a required step to determine that there is a majority interest to vote on an increase.

Official Ballot

Return to IRCSD 6289 Hawk Ridge Place, San Miguel, CA 93451

Property Owner Name:

Property Address or Description:

Please only check one box below

I support an increase in the annual IRCSD assessment per parcel from \$500/annually to \$750/annually (a \$250 annual increase) per parcel within the District starting with \$150 in parcel tax assessment year 2024/25, an additional \$50 in parcel tax assessment year 2025/26 and an additional \$50 in parcel tax assessment year 2026/27

I oppose an increase to the current annual IRCSD assessment per parcel
